

Premium Koa Wood Urns

Endemic to Hawaii, koa plays a significant role in the islands' history and cultural heritage. Today, the wood is treasured for its beautiful grain and rich colors. Our koa urns come in three sizes. The pictures shown here are representative and the actual styling and pattern of your unique piece may vary.

You can choose to include a brass plaque engraved with up to three lines of text containing 23 characters per line at an additional charge of \$30. Small and medium Koa urns are usually in stock but engraving will add to the turnaround time. If your desired urn size is not in stock, special ordering the urn can take up to 3-6 weeks for us to receive them in the office. Please let us know if you have questions.
